

BIO

Neil Campbell Tucker, M.Ed.

Neil has over 30 years of teaching, training, and competing in the Chinese Martial Arts and Healing Arts. His professional career spans for 20 years of sales and marketing healthcare services and medical specialty products and supplies. Neil is a certified Lymphedema therapist and massage therapist and has done advanced training in craniosacral therapy and wound care. He is an Arthritis Foundation volunteer and facilitator for several Arthritis Foundation program. Neil served as an adjunct faculty member from 1994 until 2004 at The College of New Jersey's Health and Exercise Science department. He has been a professional practitioner member of the American Massage Therapy Association since 1987; an honored member of the Manchester Who's Who, and an honorary chairman for the Presidents Business Advisory Board.

Neil is currently Managing Director and Partner of American Disabilities Corporation (ADC), a New Jersey based business that specializes in bringing innovative and useful products and supplies to people with disabilities, senior citizens, and their caregivers. ADC also owns www.Caregiver-Oasis.com a website dedicated to providing wellness resources and services to caregivers of all types.
